**Champion-** "Ghostly Adventures" by: Lynzie Bacchus

Getting an animal to pose with their costume on is not always the easiest thing to do! What a cute, well behaved dog! This image is clear and in focus, the photographer did an excellent job using lighting, color, contrast, and special effects to create an eerie background! It's well balanced, has unique imagery, and unified!

**Champion-** "Mandalorian" by: Kelly Alley

It takes a lot of creativity and dedication to create a costume, and we are sure this one took a lot of time to create! The attention to detail in creating this costume is amazing!

**Reserve Champion-** "Girl Scout Making S'mores" by: Samantha Bourque

We appreciate looking at not only the costumes in this photo but also the thought that went into posing, space, and props!
